5<sup>th</sup> Edition Revised Technical terms on Irrigation, Drainage and Reclamation by JSIDRE (The Japanese Society of Irrigation, Drainage and Rural Engineering) 261p.

Categorized into 39 chapters  
 1. Economics, society and general  
 2. Regional planning and comprehensive development

...  
 9. Paddy field irrigation  
 10. Upland irrigation

...  
 13. Diversion works  
 14. Canal works

...  
 16. Water management facilities

...  
 39. Obsolete and dialect words

## Results

Chapter	Number of words to be added
5 Headworks(786)	30
6 Design of irrigation canals(325)	77
7 Canal structures(647)	79
8 Project water management(177)	13
17 Operation, maintenance an management(35)	2
