2

## Rain Water Harvesting

3

## Rain Water Harvesting

4

## Rain Water Harvesting

- Work plan of the WG and Road Map to ICID Vision 2030 – activities on rain water harvesting, Publication of the WG in forms of guidelines, regulations, standards, and other key codes which focus on goal 2, 3, and 4 are to be collected and circulated on website.

5

## Rain Water Harvesting

6

## Rain Water Harvesting

- Dissemination of activities of WG – website of the group should circulate minutes, action plans, and drafts of position statement.
- Other important things are:
  - The Group should also work with the working group of water and crop since they discuss on the practice of harvested rainwater utilisation
  - Webex is requested for next meeting in late October
  - Preparation on workshop and fieldtrip in next ICID Forum 2020 in Sidney.
