

WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS (WG-ON-FARM)

Year of Establishment: 1998

Tehran meeting
Monday 17 Oct, 2011
13:30-17:00

WHO WE ARE

WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS (WG-ON-FARM)

Mandate:

- To promote on-farm irrigation as part of integrated water resources management, and
- To promote sustainable efficient approaches for on-farm irrigation.

WHO WE ARE

WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS (WG-ON-FARM)

Membership

- *Membership consists of country representatives, permanent representatives of organisations and other interested individuals*
- *A member is proposed via the national ICID committee*
- *A permanent observer may be proposed via his/her country or by an international organisation*
- *Everybody is welcome to drop-in during our meetings: observers*

WHO WE ARE

WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS (WG-ON-FARM)

Activities

- *International Micro irrigation Congresses*
- *Special sessions on Micro irrigation*
- *Articles in Journals*
- *Update State of irrigation in the World*
- *Network*

**WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS
(WG-ON-FARM)**

A. General business	09:00	80 Minutes
B Work plan	10:20	20 Minutes
C Inter Micro Irrigation Congress	10:40	20 Minutes
Coffee / Tea break	11:00	30 Minutes
D Presentations	11:30	60 Minutes
E Closure	12:30	

**WORKING GROUP ON ON-FARM IRRIGATION SYSTEMS
(WG-ON-FARM)**

A. General business	09:00	80 Minutes
---------------------	-------	------------

1. Confirmation minutes Yogyakarta
2. Apologies:
3. Review Membership
 - Members to be replaced/terminated
 - New members proposed
 - New Chairman
4. Continuing items
